The OCNMS Advisory Council meets bi-monthly in public sessions in communities in and around Olympic Coast National Marine Sanctuary.

The OCNMS Advisory Council was established in December 1998 to assure continued public participation in the management of the sanctuary. Serving in a volunteer capacity, the advisory council's 15 voting members represent a variety of local user groups, as well as the general public. In addition, six Federal government agencies serve as non-voting, ex officio members. Since its establishment, the advisory council has played a vital role in advising OCNMS and NOAA on critical issues. In addition to providing advice on management issues facing the Sanctuary, council members serve as a communication bridge between constituents and OCNMS staff.
